

## Lorelle Perry DIRECTOR

---

Lorelle Perry is pleased to serve as the newest member of the Blennerhasset Family Foundation's board of directors. A graduate of the University of Winnipeg's Bachelor of Education programme (2000), Lorelle has taught in Winnipeg's inner city as well as overseas. In 2009, Lorelle founded *KidBridge*— a downtown EAL drop-in conversation/playgroup for women new to Canada and their young children. Lorelle continues to lead KidBridge today, in addition to serving as Executive Director of its growing social enterprise— *One Nation Exchange*. One Nation Exchange provides free sewing training to women with barriers to employment, selling the products sewn at several Winnipeg retail locations to the direct benefit of their sewists. Lorelle is extremely grateful to her husband and two children for supporting her in these community commitments, and to the Blennerhasset Family Foundation for the opportunity to join them in the joy of giving.
